

# Cesar Moreno Fernandes – 3º DS AMS

## Atividade de Segurança e Privilégios

### Parte 1

```
✓ 33 22:27:29 create user 'recepcao_central'@'localhost' identified by 'SenhaRec#123'
✓ 34 22:27:29 create user 'medico_geral'@'localhost' identified by 'Med@Secure!2026'
```

### Parte 2

```
✓ 35 22:32:47 grant select on hospital_db.agendamentos to 'recepcao_central'@'localhost'
✓ 36 22:32:47 grant insert on hospital_db.agendamentos to 'recepcao_central'@'localhost'
✓ 37 22:32:47 grant all privileges on hospital_db.agendamentos to 'medico_geral'@'localhost'
✓ 38 22:32:47 grant all privileges on hospital_db.prontuarios to 'medico_geral'@'localhost'
```

### Parte 3

```
✗ 13 22:34:27 select * from prontuarios LIMIT 0, 1000
Error Code: 1142. SELECT command denied to user 'recepcao_central'@'localhost' for table 'hospital_db`.`prontuarios'
```

Select deu erro 1142

```
✓ 14 22:41:28 insert into agendamentos values(null, 'Fulano da Silva', '2026-05-04', '13:00', 'Dr. House')
```

Insert funcionou

### Parte 4

| Host      | User             | plugin                |
|-----------|------------------|-----------------------|
| localhost | root             |                       |
| localhost | recepcao_central | mysql_native_password |
| 127.0.0.1 | root             |                       |
| :::1      | root             |                       |
| localhost | pma              | mysql_native_password |
| localhost | medico_geral     | mysql_native_password |

```
✓ 40 22:46:47 revoke delete on hospital_db.prontuarios from 'medico_geral'@'localhost'
```

|   |                                                                                                            |
|---|------------------------------------------------------------------------------------------------------------|
|   | Grants for recepcao_central@localhost                                                                      |
| ▶ | GRANT USAGE ON *.* TO `recepcao_central`@`localhost`                                                       |
|   | GRANT SELECT, INSERT ON `hospital_db`.`agendamentos` TO `recepcao_central`@`localhost`                     |
|   | Grants for medico_geral@localhost                                                                          |
| ▶ | GRANT USAGE ON *.* TO `medico_geral`@`localhost`                                                           |
|   | GRANT SELECT, INSERT, UPDATE, CREATE, DELETE ON `hospital_db`.`agendamentos` TO `medico_geral`@`localhost` |
|   | GRANT ALL PRIVILEGES ON `hospital_db`.`prontuarios` TO `medico_geral`@`localhost`                          |

### Extra: teste de delete na tabela prontuarios com o usuário medico\_geral

```
✗ 2 22:49:30 delete from prontuarios where id_prontuario = 2
Error Code: 1142. DELETE command denied to user 'medico_geral'@'localhost' for table 'hospital_db`.`prontuarios'
```
